Attach Cause Charms to bracelets or wear them as earrings or pendants.*

SUPPORTING YOUR FAVORITE CAUSES

Hello

Since 1991 Sharon and I dba as Dream Green have been committed to designing products that improve the lives of children. Our award-winning games have helped millions of students improve their fundamental math, spelling and strategic thinking skills while earning praise from Dr. Toy, the National Association for Gifted Children, the Canadian Toy Testing Council, the Harvard University Afterschool Program and many others as well as from educators, parents and kids. All our games are verified to exceed the standards of ASTM and EN71 and the wood products are certified FSC.

We believe that we are all custodians of this planet, its people and animals and we have an obligation to support and sustain projects which help them. Over the years Dream Green has donated thousands of games to various charities including Feed the Children, The Kids Wish Network, Toys in Kind, The Marines Toy's for Tots program and The Baghdad Hobby Club which supported our troops during the Iraq War.

We were very active in supporting a local recycling effort that helped finance the building of a hanger and purchase of an aircraft that is used for introducing children and adults to the world of aviation.

Because of our desire to contribute our talents and time to help support worthy causes, we developed the Cause Charms and Fans Bands line of jewelry. With over 200 different designs, the Cause Charms can be attached to the Fans Bands bracelets, worn as earrings with the wire included or hung as a pendant from a chain. The Fans Bands bracelets come in sixteen different colors to suit any taste, team color or wardrobe needs.

Cause Charms and Fans Bands are only available through schools and organizations for fund-raising purposes. A portion of all our profits support animal shelters and animal rescue organizations.

Many thanks
Don & Sharon Green

Here I am taking a student for her first plane ride.

CAUSE ANGELS

\$5.95 Each

The Cause Angels are specifically designed to signify a person's care and concern for cancer victims and other causes. Our Fans Bands & Cause Charm fans frequently suggested that we make cause ribbon charms. Since we pride ourselves on creating our own artwork and products, we set about designing a different way to convey the hope, support and reassurance that those ribbons personify. We have a Pink Cause Angel for breast cancer and eleven more Cause Angel colors available.

Why Angels? Almost everyone believes in Angels. Angels are not just spiritual beings, they live here among us as family and friends, acquaintances or even strangers. Angels give hope, reassurance and guidance. They represent a figure of goodness that people can relate to and believe in. Angels are everywhere and everyone needs an angel.

SPORTS

\$5.95 Each

Show your support for a family member, friend or even professional athlete by wearing your Cause Charms with pride knowing that you are also supporting a worthy cause.

ANIMALS

\$5.95 Each

Do you have a favorite animal? Support the efforts to protect and preserve them and their habitats? Show your concern with a charm that lets people know about your love for these beautiful creatures.

OCEAN ADVENTURE

Our first in a line of vacation get-away Cause Charms lets you show your love for the beach and the ocean breeze. They'll bring back memories of hot summer days of sand and surf long after your tan has faded.

FESTIVE OCCASIONS

Everyone loves a festive occasion. Wear the Halloween Cause Charms on the bright orange and black Fans Bands or the snowflake with the blue and white Fans Bands.

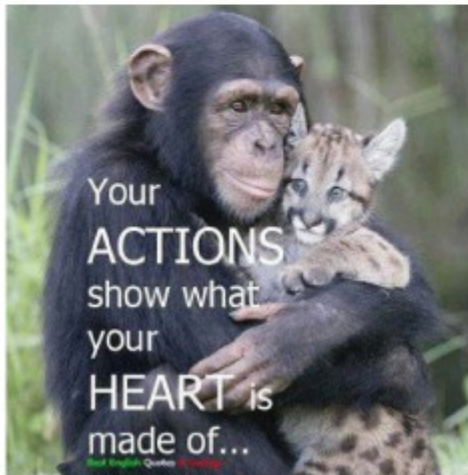

ARE YOU AN ANIMAL LOVER?

Millions of companion animals are destroyed in shelters every year simply because there is no one to adopt them or enough resources to support them.

A portion of the sale of Fans Bands and Cause Charms goes directly to animal shelters.

On average animals are put down after 5 days if not adopted. One more day may be the difference between life and death for an innocent loving animal.
